Lola contacted our offices and asked if we could hook her up with Nikki Hunter. She said that she's been infatuated with Nikki for a couple years and wanted to do a scene with her.

## Nikki & Lola

Of course we obliged, and asked that if they did get together, could we shoot it. They both agreed and here is the sexy result.

The photographer told me how excited her was to have the chance to shoot with me. He was heavily tattooed also and before the scene we spent a good half hour checking out each other's tats.

## Michelle

Then the director pulled us all together to explain what he wanted and that was plenty of camera time on the tats. "But what about my pussy," I asked and he said "Oh, well get that too."

Somehow we have a feeling that Yvonne is going to be more than enough woman than these two young studs will be able to handle. She exudes the confidence of a cougar and the appetite of a tigress. By the end of their fucking it will be interesting to see how much man-meat will remain.

Yvonne sure gives a good scene because she's a sex machine. Her mouth and pussy can really work a hard cock, or two. She truly earns her pearl necklace today. Take a long hard look at this scene online; we know you'll get off just the way these two young studs did. And there's nothing wrong with that!

Must be over 18 to call.

*Dear editor:*

I'm writing because I saw a copy of one of your **50+** issues in my husband's briefcase last week. It's the one with Zoe on the cover trying to lick her boob. In the twenty-plus years we've been married, we're both in our early fifties, and her has never brought home anything like this. I decided to sneak a peek at it and I must admit that I've seen this type of magazine before but that was in the Nineties.

I don't remember things being this explicit back then. Anyway, I'm okay with the sex, but do want to comment about the facials that you show. I like them. Well, actually I kinda learned to like them because of how it makes my husband feel. So we talked about it and I finally decided to let him do it. It took several times for me to get used to it, but now I accept it as part of our sexual lovemaking.

Now when he's ready to cum, to get a facial without opening my mouth and trying to catch some cum on my

*Dear Editors,*

Camryn is one wonderful mature fuck. I really enjoyed her layout in the magazine and especially in her video. But I don't know anything about her. Has she been making movies very long? Was she married? Does she also do women? Has she done an anal scene? Does she like giving blow jobs? There are a whole lot of questions I want to ask her but will probably never get the chance. So I guess all I can do is thank you **50+** for finding her and running these great pictures of a really fine woman.

tongue wouldn't be very much fun, so I open wide to give him something to aim at. He's not always on target, but that's part of the fun and we laugh about it. When it does get into my mouth the taste is something I have come to accept and appreciate. I appreciate the taste because it is unique to him which makes it all the more intimate for me.

We have discussed several different foods that he could eat to see if the taste of it changes and I may like it a little better. Pineapples and oranges seem to make his semen a bit more flavorful for me. It is quite nice to be the center of attention for such an intimate act. And of course I swirl my tongue around licking it off my lips. When we kiss afterwards and I still have some semen in my mouth, it increases the level of our passion.

At first I swallowed completely, then I would leave just a few drops in my mouth and kiss him; asking how it tasted to him. He found it tolerable and so I would leave more and more in my mouth so he got used to it, too. It

has added an extra interest to our lovemaking, all with the help of your magazine. By the way, I never told him I saw the magazine. Thanks.

— *Lanie, New Orleans*

**Dear 50+,**

I live just outside of Mobile and we have a lot of heat and humidity. When I see your pictorial with the couples having sex in the outdoors that really turns me on. I'm very lucky because the lady I'm married to also likes

we're looking forward to many more like this one. In the past, sometimes we would only have sex at night and not more than a couple times a week. In the past month, we only missed four days. It has been the most incredible experience I have ever had, and I hope I'm speaking for my wife, too. Day or night does not matter to me anymore, and doing it lights on is always good, too.

We're getting ready to celebrate twelve years together and are finally

**To the editor:**

My wife has turned out to be the coolest chick on earth. We've been married for many, many years. She's forty-six and I'm fifty-two, but very young looking and acting. When we felt our sex life had become just a bit boring, we tried to liven it up in different ways. Lately, she's decided to become a 'dominatrix.'

But what does your mind conjure up? For most people, it's a woman donned in black leather

Editor, we want to tell your readers that domination play can be fun! How would it feel ladies, to turn the tables on your boring husband? Take a minute to think about it, especially you women out there who are sexually timid.

So — I come home from work one day to find her cooking dinner like usual, except that there is something slightly different, and at first I can't figure it out. She greeted me with a kiss and hug, then whispers in my ear that tonight I'm hers.

Her hand lightly grazed my pants as she headed back to the stove to finish cooking, and for the rest of the evening whenever she passed me, she'd grope me or give me a sly look. After dinner, we left the dishes on the table and the pots and pans in the sink, and she told me she expected me in the bedroom in five minutes.

When I came looking for her, she shut the bedroom door behind me and locks it. Then she pushed me up against the wall and started to kiss me passionately as she undressed me. I tried to help but she gently slapped my hands away and looked at me sternly in the eyes. When I was nude in front on her, she grabbed my cock,

to fuck outdoors and she likes sliding her sweaty body against mine. When my wife sweats and it leaves a little pool on her belly, it just makes me hotter for her.

Summer sexing has been great this summer, and

getting a night to ourselves. I'm very excited about it. So to all of you living in the heat... go on, get sweaty. It's a lot of fun and you can always get cool when you shower it off.

— *Baker M., Mobile*

or vinyl lingerie, black stiletto thigh high boots, and she's carrying a whip. Please let me go ahead and say that we are not into a lifestyle or sexual inclination involving pain or humiliation, but for those that are, that's fine.

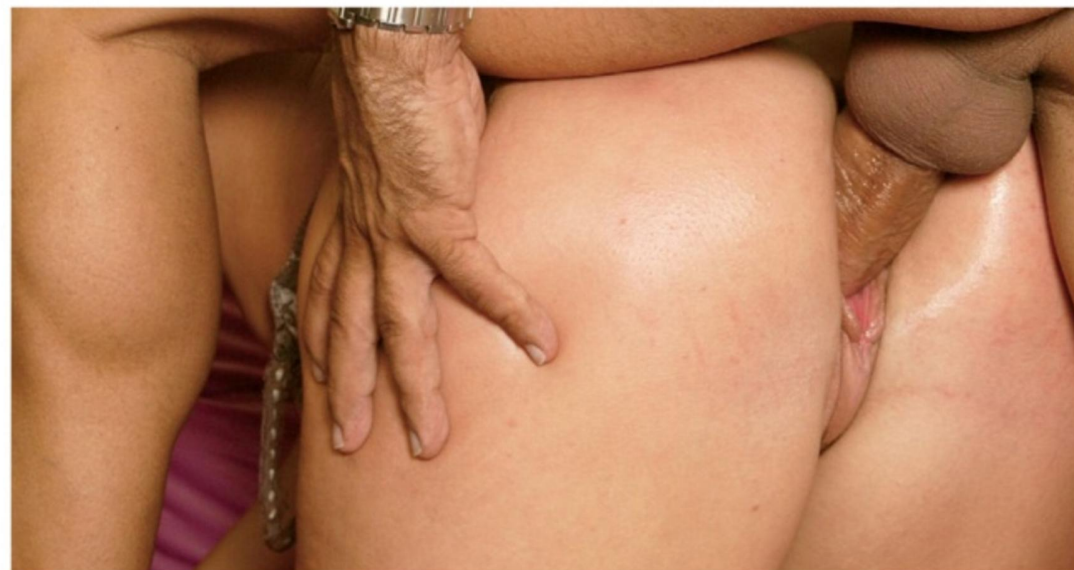

already hard from all the stuff that went on beforehand, and said that she is going to take the evening exactly where she wanted it to go. Damn, I thought to myself.

Then she gently orders me to undress her slowly. Everything she has on is easy to get off. She must have thought that out, too. I undo her zippered dress from the back and it slides to the floor. I undo the front bra clasp and her great boobs pop out. She's not wearing undies so she takes me over to the bed and pushes me down on the bed and straddles my face so I can lick her. All the while, she's reached forward and is stroking my cock so my licking becomes more fervorous (is that a word?).

She bends down and switches her hand for her mouth all the while leaving her pussy on my face to lick and suck as we sixty-nine. I make the most of it for her pleasure as I feel her sucking my cock like never before. I don't feel like I need to go into the specific details of the rest of the night, but you get the gist of it.

It was one hot night and it didn't end until four in the morning. Now most of you guys know it's difficult for a fifty year old man to cum more than

once, but she milked two big and one small jizz out of me that night. That's something that had not happened in over ten years. I think I made her cum at least four or five times!

— *Whitman, Raleigh*

**Dear 50+ mag,**

I've bought your magazine, not only for the pictorials but for the free movies that you have. And they are hot. It's pretty cool to see the sex in pictures then have it come alive on video. Good thinking guys, and girls. But what I want to write to you about, because it came to me watching one of the videos, is that my wife (married 24 years) doesn't make any sounds when we fuck! For a while, early on, I thought it was a little weird, but came to

accept it. Then it was fine because we didn't want out kids to hear us since they were in the next room. So lately, now that the kids are gone, I've been asking her to be a bit noisier, like moaning, if something feels good.

I finally convinced her to watch some porn with me so she can hear the girls and guys there moan and groan and maybe she'll pick up on it. So one night as we were snuggling on the sofa, I pulled the computer out and we looked at some innocent stuff and I gradually led her into some porn and she was agreeable to view it.

I had downloaded one of your scenes where the gals were especially vocal, and we watched, talking about the sex and the groaning and she seemed to understand that it was okay to scream when

she was cumming. It was okay to let out a "Yes, right there!" when I hit the spot. It was okay to say "Fuck me harder." (although I usually fucked her hard enough).

Now here's the good part. She has become wilder and more sexually active since she's started becoming more vocal. I love hearing "Yeah, baby," at the top of her lungs, over and over again. She has really let loose but I keep telling her that we'll need to practice a little more.

— *Jerry, Springfield, IL*

If you have something interesting to share, then go write ahead. Send your letters to the Editor, Blair Publishing, Inc., 10170 W. Tropicana Ave. #156-168, Las Vegas, NV 89147. All submissions become the property of Blair Publishing, Inc., and up to our discretion to publish them – or not. Either way, we enjoy reading them all.

I've always been a party girl. And getting older hasn't slowed me down one bit. I like to sing and play all night, and I avoid the morning light if I can. It's a wild way of living and I'm into it. I like to experiment with sex and if my partners aren't into it, it's not hard to find someone who is.

## Tabitha

But I've never had to go look for a new partner. The current one will always do."

*Name three things that YOU are going to lick this weekend!*

if you love her, you gotta please her

# i make my wife happy

*APPARENTLY NATALY WANTED MORE  
THAN I COULD GIVE HER,  
SO I GAVE HER MORE*

Nataly has always fantasized what it would be like to have two men at the same time. I suggested making my wife's fantasy a reality. And when an old high school bud of mine went to work our satellite office, I thought it would be a perfect time for her to experience it. Carson is in the marketing department. He's my age and a bit smaller, but very personable and quite energetic. Since he's joined the company, I found that I like him because we have many of the same interests and he's a hard worker. Even though he's in Dayton and I'm in Columbus, I've had meetings with him and his group and feel that I can trust him.

It turns out that he also dated Nataly before me, then he and his parents moved to another city. I met and fell for Nataly about a year after Carson moved. I told Nataly that he had joined my firm within a couple days of his coming. I explained that if we were to do a threesome, I'd be okay with him as the other guy. She again expressed her reluctance to engage in a three-

way, but I could tell that she was intrigued by the thought that it might be Carson.

I don't know why she won't do a three-way with other women, I've told her not to worry because, she is the most beautiful woman in the world as far as I'm concerned, and I will follow her to the end of the earth if need be. I've jokingly told her, "You can pick the girl," and then we would laugh. "I don't need anyone but you sweetie, because I love you so much! I would be a fucking fool to mess up our

relationship by doing something you didn't approve of!" Nataly feels the same. We love and trust each other completely.

Nataly is a little shorter than me and I'm six foot. She has a tan complexion, with perfect 36C breasts that have long hard nipples that poke out when they get cold or she is excited. This one morning I had to go to Dayton again for more meetings but I woke up extremely horny. I went down between her legs and began munching on

*I asked him if he would help me fuck my wife.  
He looked at me as his jaw dropped down and  
asked if I was joking.*

her wonderful hot pussy. After eating her pussy for about thirty minutes, I rolled her over and slid my throbbing dick into her hot pussy, and fucked her doggy style. I fucked her as hard as I could, but didn't bring her off, so I concentrated on my own orgasm as it was getting late and I had to hit the road for the ninety minute drive. Later that day she called and said she was so fucking horny from the morning's escapades that she wanted to drive to Dayton and fuck me there.

Naturally I agreed and I thought this would be the perfect time to fulfill Nataly's fantasy and decided

to initiate the threesome. When I saw Carson at the office, he was heading home for the day. I went over to him and asked if he had plans for the next few hours. When he said he didn't, except to pick up the pizza he had ordered for dinner, I asked him if he would help me fuck my wife. He looked at me as his jaw dropped down and asked if I was joking. I told him I wasn't and that she was on her way from Columbus to fuck me. He was somewhat skeptical that I was telling the truth and decided to hang around and see if indeed I was. I asked if he would lock up and go back to his desk until we

were ready. I'd call him on the intercom when the coast was clear for him to join us.

About 6:16 my cell phone rings and Nataly is at the office door. I go to let her in and she immediately placed her hand on my waiting hardon and tells me to get undressed. I tell her that I've asked Carson to stay and join us if she is ready to try it tonight. She blushes and pauses to think for a second. I didn't think she was going to go for it. She thought I was kidding, but when I called Carson into the office, she had a look of hesitation in her eyes. She looked at Carson then back at me, and poor guy didn't know what to do or say at this point. Then I realized I was going to have to make the first move, so I reached over grabbed the front of her top and quickly pulled it up over her head. She wasn't wearing a bra and instinctively covered her boobs with her hands. Realizing there was little she could do but go with it, she dropped her hands and unbuttoned her slim skirt and let it drop to the floor. Her sexy black lace panties were revealed as I looked at Carson taking this all in.

She looked Carson right in the eyes and said told him to come over and take her panties off. In two large, quick steps he was in front of her, dropping to his knees as he pulled them down and off her feet. Rising up, he puckered his mouth around one of her gorgeous nipples and sucked it into his drooling mouth. Not wanting to be left out, I squeezed her other breast, taking the other beautiful button between my teeth, and rolling it back and forth. Nataly flung her head and arched her back, sticking her chest out, like offering her prize possessions to the winner! Carson and I nibbled and sucked, coating her gorgeous boobs with our wet mouths. She moaned softly, taking in the fact that she had two men devouring her jutting breasts. Her breathing became heavier; she was enjoying the sensation of having both her tits sucked on at the same time! She leaned her head back and growled with pleasure. She then broke our suction and told us both to strip. Standing with her hands on her hips, legs slightly spread, she looked like a naked super heroine ready to conquer.

*Her body was literally vibrating from the pounding we were giving her and she was ready to explode. Her body tensed and let loose a mind-blowing orgasm that must have shook the building.*

---

I ripped my clothes off and Carson wasn't far behind. He released her boob as he ripped his clothes off and readied himself for action! We stood there looking at each other, breathing heavily, our hearts pounding with adrenaline, our blood coursing its way to our engorged cocks. Our brains were no longer in control of our bodies.

Carson and I looked at each other, and attacked her at the same time! We wrestled her to the floor where he went for her heaving chest and I went down to her gorgeous pussy and lapped at her hot pussy like a starving dog. I shoved my tongue as far as it would go, curling it around her sensitive clit. Then her body started quivering, and twitching, her stomach muscles contracted forcing her blood to her swelling clit, and she exploded with

Moments later I told Carson it was time to switch. I pulled out of her, and Carson pulled out of her mouth. We fucked her in as many positions as the three of us could dream up until we men sensed she was about to cum. Her body was literally vibrating from the pounding we were giving her and she was ready to explode. Her body tensed and let loose a mind-blowing orgasm that must have shook the building. Not long after she went into spasms, Carson yelled out that he was going to cum! I felt him spasming inside her pussy. Nataly took all of me into her mouth and down her throat and still managed to lick my balls at the same time. She squeezed my butt cheeks and toyed briefly with my anus. Carson had pulled out of her so now all her attention was on me and she was going to make me cum.

such force! Nataly's body went limp, but not for long as Carson kept licking and sucking her boobs. He then got on his knees, positioned himself in front of her and rammed his cock into her drooling mouth. As Carson fucked my hot wife in the mouth, I grabbed her ass, and slammed my meat into her quivering pussy.

I saw Carson sit in a nearby chair and mouthed for me to give it to her. I laughed inside because that's exactly what I was going to do. Nataly took my cock out and pulled it against her face as she dipped her head to take my balls into her mouth. As she stroked my shaft, she would lick and suck each testicle until she took them both into her mouth and rolled her tongue around them. Slowly she released them and refocused on my cock. With her hands squeezing my cock tight, she pumped and licked and sucked it until I came. I pumped what seemed to be gallons of jizz into her hot mouth and she swallowed what she could. I watched the rest drip down her chin and onto her sweaty breasts.

The two of us laid out spent on the office floor in the middle of our clothes debris. Chairs and tables askew and toppled like the aftermath of a category 3 hurricane. Carson finally got up and said he'd go to get the pizza he had ordered if we would stay and do it all over again. We nodded. Sex and pizza. What could be better?

June has always been one to try something different. She had her first lesbian experience at eighteen and has been loving women for more than thirty years. Her favorite thing to do is eat pussy because she likes the taste of it.

## June and Sexy Vanessa

Vanessa sure is Sexy... and she knows it. Her favorite movie star is Jayne Mansfield because she exuded sex in everything she did.

If ever there was someone who fit the definition of that word, it's these two.

When these two came together for the shoot, it was a non-stop lickfest. And we do mean non-stop. They do not know the meaning of the word 'CUT!' After yelling 'Cut' a time or two the director finally gave up and kept the cameras running throughout the entire scene. When it was done, he had to put the cameras, and himself, on Ice! Watch this scene online for free. Download it and yell 'CUT' and see if they do. We think not.

Oh yea, this was a whole lot of fun. I don't see or get to suck and fuck a cock as nice as this one. It's long and thick and straight as an arrow. I only wish it was a little shorter so I could get it all in my mouth. But I think that's a trick I'll have to learn. And if I suck enough cock, I just may become a deep-throat master.
